

A.P.P.L.E. "Seedlings" Day Camp Summer 2013

Dear Parents,

A.P.P.L.E. Seeds is pleased to announce its 2013 summer camp program! There will be 7 weeks of programs, each with its own unique theme (see back for program overviews). You may enroll your child(ren) for a two-day (Mon & Wed or Tues & Thurs) or four-day (Mon through Thurs) program for one or more weeks. The hours are from 9:00 am until 1:00 pm. Children ages 3 years (on or before August 31st) through those who will be starting first grade will be eligible to attend. All children must be able to use the bathroom with minimal assistance.

A.P.P.L.E. Seedlings is designed to keep your child's mind, body, and spirit active during the summer months. We will become musicians, artists, athletes, scientists, authors, readers, and chefs while engaging in enriching activities like music, games, arts/crafts, bible stories, and plenty of hands-on free play! This is the perfect opportunity for the child with no preschool experience as well as for the child who will be continuing school in the fall and wants to keep learning through the summer! Active minds need plenty of fuel, so please provide your child with a snack and a sack lunch each day (except Stir It Up week). We will provide plenty of fresh water.

You may register your child(ren) from now until July 18th. There is a non-refundable, one-time supply fee of \$20 due at the time you register. The two-day program is \$45/week and the four-day program is \$85/week.

Please join us this summer! Simply complete the information below and return it to A.P.P.L.E. Seeds Preschool at 7300 Sunset Lake Road, Fuquay-Varina, NC 27526. Space is limited, so sign up soon! We can't wait to play and learn with you this summer!

In Him,
Valerie Jones

A.P.P.L.E. Seedlings Day Camp Weekly Themes

A.P.P.L.E. Seedlings Day Camp themes provide a unique camping experience each week. Crafts, games, nature, and other activities will be integrated into the theme. Feel free to sign up for more than one week since each week will hold new surprises in addition to all of the fun games, music, free-play, and bible stories that make A.P.P.L.E. Seedlings super exciting!

Week 1: June 10 - 13 **Pirate Adventures**

Ahoy there Matey!! We will be riding on the high seas this week as we look for treasure. Using our spy glasses and treasure maps we will find clues as to where "X" marks the spot. We will build pirate ships and make our own pirate flags.

Week 2: June 17 - 20 **Wild West**

Howdy cowboys and cowgirls! Are you ready for a "rootin tootin" good time? This camp is for you! Get ready for a wild west adventure with gold diggn', horseshoe slingn' and hoedownn' good time!

Week 3: June 24 - 27 **Camp'n Out**

Let's go camping! We'll have a tent, smores, and a "camp fire" (not a real one!) and go on hikes. The adventures are endless! This camp is for brave, daring, and courageous boys and girls who are ready to connect themselves with the great outdoors. So bring your flashlight, and let's go!

Week 4: July 8 - 11 **Stir It Up!**

Yes, even kids can cook! We'll explore all aspects in the world of cooking, including preparing food and cooking safety. We may even make silly foods that you can't eat like mud pies and popcorn in a parachute! The best part is we get to taste our creations as we'll prepare our own snacks and lunch each day! Let's get cooking!

Week 5: July 15 - 18 **Holiday Fun**

Christmas in July?? Sure, why not! Each day we will celebrate a special holiday with all of the trimmings. Halloween will not be too scary. We will hop into Easter with an egg hunt and lots of jelly beans. We will have a holly jolly time at Christmas. And lots of love will be shared as we celebrate Valentine's Day.

Week 6: July 22 - 25 **Splish'n Splash**

The beach is coming to APPLESeeds! It's time to get WET! Sand and water activities, including a really cool water slide, will take place all week, and we'll really feel like we're at the ocean! So bring your swimsuits and sunscreen, and let's go to the beach!

Week 7: July 29 - Aug 1 **Future Olympians**

Did you know that your child is an Olympian? We'll get physically active with games, relays, gymnastics, and other Olympic events. It's all about lots of fun play with friends, sportsmanship, and finding out that we are all gold medal winners!
