Off to a Great Start!

Fall is here and we have had a great start to our new school year! Although the weather is still rather warm, the days are getting shorter and there is a feeling of fall in the air.

We have already started to learn many lessons in class and in Chapel Time. Did you know that God made you special? Sure He did! The students learned that they are unique and wonderfully made during "All About Me" week. Did you realize that math is everywhere and that "Clever Cat" makes a really neat sound? Ask your child if he or she knows that

sound.

In chapel we have learned about what a BIBLE is and what we would read in this book. One of the first stories we taught is that God made the world and everything in it, including us! We should take care of God's creation. One way we can take care of God's creation is through our Chapel Offerings.

This year during Chapel Time we will take up a voluntary offering that will benefit the Heifer Project. This allows the students to actually decide how to spend the money they have donated

by voting on which animals they wish to purchase for the organization. The first animals the children have voted for are Rabbits.

Rabbits are a a low-cost, high-yield gift that helps impoverished families increase their protein intake and income. And, because they have so many offspring, the process of passing on the gift multiplies quickly!

Keep an eye on the Parent Information Board to see our chapel money goals!

Happy Birthday to everyone with October Birthdays!

Shout outs to: Ms. Kim, Ms. Beth, Ms. Heather and Ms. Michelle, Samantha, Sawyer, Micah, Landon, Tessa, Ryan, Wesley, Savannah, Mackenzie, Holly, Lexi, and Christianna and Sawyer L.

Events Coming up Soon

The Fuquay–Varina Fire Department will be visiting A.P.P.L.E.Seeds Preschool to help promote “Fire Safety Week”. They will come on Monday, October 8th and on Thursday, October 11th. The children will get to see their truck and all of the equipment they need to help keep us safe in the event of a fire.

We will be having monthly fire drills to practice evacuating the building. Please talk to your children to help them understand that yes these drills are loud and may be scary, but they are very important to do so we know what to do at school and home in case of a fire.

PVO Meeting

On Monday, October 1st at 11:30 the PVO will be holding their first meeting. The PVO is a great way to get involved with your child’s school!

Volunteers do not necessarily have the time; they just have the heart.

— Elizabeth Andrew

Every parent is already on the PVO as you may be asked through out the year to volunteer with various events and to participate in spirit nights.

However, the PVO is in need of a few people to meet each month to help plan and come

up with ideas for fundraisers, special events and activities.

If you are able and willing to do so, we would love to have your help with this very important group!

Halloween Parade

Get ready to get dressed up in a silly costume and parade around the school during our annual Halloween parade. On Monday October 29th and Tuesday, October 30th the children may bring a costume to school in the morning to wear during the parade.

Please no scary or inappropriate costumes.

The students will eat lunch early then parents are invited to come at 12:00 to help the children get dressed into their costumes and stay for the parade.
