Off to a Great Start!

Fall is here and we have had a great start to our new school year! Although the weather is still rather warm, the days are getting shorter and there is a feeling of fall in the air.

We have already started to learn many lessons in class and in Chapel Time. Did you know that God made you special? Sure He did! The students learned that they are unique and wonderfully made during "All About Me" week. Did you realize that math is everywhere and that "Clever Cat" makes a really neat sound? Ask your child if he or she knows that

sound.

In chapel we have learned about what a BIBLE is and what we would read in this book. One of the first stories we taught is that God made the world and everything in it, including us! We should take care of God's creation. One way we can take care of God's creation is through our Chapel Offerings.

This year during Chapel Time we will take up a voluntary offering that will benefit Charlie's Lunch. This allows the students a great relatable way to share with children their age.

Charlie's Lunch is a Christian ministry aimed at ministering to the world's needy children and their families. By expressing God's eternal love and care in tangible, practical terms, Charlie's Lunch offers hope and a future to children in hopeless situations. By addressing the real-life needs of children and their families, Charlie's Lunch gives people the opportunity to discover the life-changing difference Jesus can make.

Events Coming up Soon

The Fuquay–Varina Fire Department will be visiting A.P.P.L.E.Seeds Preschool to help promote “Fire Safety Week”. They will come on Thursday, October 10th and on Friday, October 11th. The children will get to see their truck and all of the equipment they need to help keep us safe in the event of a fire.

We will be having monthly fire drills to practice evacuating the building. Please talk to your children to help them understand that yes these drills are loud and may be scary, but they are very important to do so we know what to do at school and home in case of a fire.

PVO

Every parent is already on the PVO as you may be asked through out the year to volunteer with various events and to participate in spirit nights. However, the PVO is in need of a few people to meet each month to help plan and come

up with ideas for fundraisers, special events and activities.

If you are able and willing to do so, we would love to have your help with this very important group!

Halloween Parade

Get ready to get dressed up in a silly costume and parade around the school during our annual Halloween parade. On Tuesday, October 29th and Wednesday, October 30th the children may bring a costume to school in the morning to wear during the parade.

Please no scary or inappropriate costumes.

The students will eat lunch early then parents are invited to come at 12:00 to help their child get dressed into their costumes. The parade will begin promptly at 12:15.
